ACR named 'Most Innovative Deal – Equity' by The Asset

Singapore, December 31, 2006 – The Asset Magazine, in its annual Triple A House and Deal Awards 2006, named ACR's US\$620 million private equity placement as the 'Most Innovative Deal – Equity'.

The magazine stated in the award commentary that "the transaction is the largest ever start-up private placement in Asia, marking a ground-breaking development in the reinsurance industry in the region."

The Asset's Triple A awards are valued because of the Asset's thorough assessment process. ACR is proud to receive the award along with other outstanding enterprises and individuals on the award list who have contributed greatly to the developments of the Asian financial industry.
